Report of the directors (incorporating the trustees' report)
for the year ended 31 July 2010

The directors present their report and the financial statements for the year ended 31 July 2010. The directors, who are also trustees of North West Mull Community Woodland Company Limited for the purposes of charity law and who served during the year and up to the date of this report are set out on page 1 - 2.

Structure, governance and management

Risk Management

The Board of Directors is ultimately responsible for North West Mull Community Woodland Company Limited internal, financial and administrative controls and systems and for reviewing their effectiveness. However, such systems are designed to manage rather than eliminate risk of failure to achieve the Company's objectives, and can provide only reasonable but not absolute assurance against material misstatement or loss.

These systems of control include, a regular consideration by the Directors of financial results, variance from budgets and non financial performance indicators; delegation of authority and segregation of duties, identification and management of financial and non-financial risks.

Reserves policy

The aim of the Company's reserve policy will be, when fully operational, to establish a level of reserves which the Company may need in times of unexpected fluctuations in income to ensure its ability to provide uninterrupted services for a period of 12 months. During the current period of global economic uncertainty, the Company is unlikely to be able to achieve this aim, but intends to continue to work towards it.

Objectives and activities

Principal objects

The charity's principal objective is to manage community land and associated assets for the benefit of the Community and the public in general as an important part of the protection and sustainable development of Scotland's natural environment, where "sustainable development" means development which meets the needs of the present without compromising the ability of future generations to meet their own needs.

Principal activities during the year

During the year the principal activities have been to start implementing part of the Business plan, secure funding for part of the Forest Road construction costs, start work on a Forest Crofts policy, and develop and obtain approval for the Forest Design Plan.

Achievements and performance

Review of activities

During the year the principal activities have been to continue implementing part of the business plan, which includes revisions to the Forest Road route, commencing construction of this road (completion due Spring 2011), finalising the Forest Crofts policy and commencing work with potential crofters, updating the Forest Design Plan and starting the process of UK WAS accreditation.

The company's fifth year has seen further fundraising activities to provide funds for ongoing costs. The trading company continued with limited operations, related to sales of firewood and processed timber from the woodmizer mobile sawmill.

The Forest Design Plan has been further modified and continues to have minor modifications undertaken to cover the needs of the Forest Crofts policy and requirements related to the process of gaining UKWAS accreditation for the Woodlands.

North West Mull Community Woodland Company Limited
(A company limited by guarantee)

Report of the directors (incorporating the trustees' report)
for the year ended 31 July 2010

No new grant monies have yet been allocated for Affordable Housing but the company has kept in touch with the relevant bodies and funds may become available during 2010/2011. We are also starting to work with Napier University to try and develop greater use of Sitka spruce in house construction.

Financial review

The ongoing infrastructure costs associated with the roads and bridges being constructed as part of the timber haul route are being met in the first instance by our timber harvesting contractor Tilhill Forestry Ltd. These costs, net of grants received under the Scottish Governments Strategic Timber Transport Scheme, will be repaid to Tilhill Forestry Ltd out of the sales proceeds realised from harvesting as it proceeds over the next 2-3 years. See also notes to the Financial Statements No. 22

Statement of directors' responsibilities

The directors (who are also trustees of North West Mull Community Woodland Company Limited under charity law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice. Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006, and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Duncan Grout ACCA of R A Clement Associates was deemed to be reappointed as independent examiner and the directors recommend that Duncan Grout ACCA remains in office until further notice.

Small company provisions

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

This report was approved by the Board on _____ and signed on its behalf by

A E Evans
Company Secretary

North West Mull Community Woodland Company Limited
(A company limited by guarantee)

Independent examiner's report to the directors on the unaudited financial statements of North West Mull Community Woodland Company Limited.

I report on the accounts for the year ended 31 July 2010 set out on pages 3 to 18.

This report is made to the charity's Trustees, who are also directors of the company, in accordance with the terms of my engagement. My work has been undertaken to enable me to prepare the financial statements on behalf of the charity's Trustees and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees, as a body, for my work or this report.

Respective responsibilities of trustees and independent examiner

The charity's trustees (who are also the directors of the company for purposes of company law) are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 (the Act) and the Charities Accounts (Scotland) Regulations 2006. The charity's trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act, and to state whether particular matters have come to my attention.

Basis of Independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Regulations
 - to prepare accounts which agree with the accounting records, comply with Regulation 8 of the 2006 Regulationshave not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Balance sheet (continued)

SC287343

Directors' statements required by the Companies Act 2006
for the year ended 31 July 2010

In approving these financial statements as directors of the company we hereby confirm:

(a) that for the year stated above the company was entitled to the exemption conferred by section 477 of the Companies Act 2006 ;

(b) that no notice has been deposited at the registered office of the company pursuant to section 476 of the Companies Act 2006 requesting that an audit be conducted for the year ended 31 July 2010.

(c) that we acknowledge our responsibilities for:

(1) ensuring that the company keeps proper accounting records which comply with section 386 of the Companies Act 2006, and

(2) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its surplus or deficit for the year then ended in accordance with the requirements of sections 394 and 395, and which otherwise comply with the provisions of the Companies Act relating to financial statements, so far as applicable to the company.

These financial statements are prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements were approved by the board on

and signed on its behalf by

Colin James Morrison
Director

The notes on pages 9 to 18 form an integral part of these financial statements.

North West Mull Community Woodland Company Limited
(A company limited by guarantee)

Notes to financial statements
for the year ended 31 July 2010

1. Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and the preceding year.

1.1. Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), the Statement of Recommended Practice 'Accounting and Reporting by Charities' issued in March 2005 (SORP 2005) and the Companies Act 2006.

1.2. Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Gifts donated for resale are included as incoming resources within activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Income from the trading subsidiary is included in the year in which it is receivable.

1.3. Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Fundraising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management.

North West Mull Community Woodland Company Limited
(A company limited by guarantee)

Notes to financial statements
for the year ended 31 July 2010

1.4. Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Land and buildings	-	Not depreciated
Infrastructure	-	Not depreciated
Plant and machinery	-	25% straight line
Fixtures, fittings and equipment	-	25% straight line
Computer Equipment	-	25% straight line

The asset cost in the accounts represents the purchase price, including legal costs of the Woodlands, Langamull and West Ardh. Depreciation is not normally charged on land unless it is subject to depletion. However, as the asset includes standing timber which will be subject to extraction in the future, the directors have considered the matter and they are of the opinion that depreciation is not appropriate

1.5. Investments

Investments held as fixed assets are revalued at mid-market value at the balance sheet date and the gain or loss taken to the statement of financial activities.

2. Voluntary income

	Unrestricted funds £	Restricted funds £	2010 Total £	2009 Total £

	£	£
Interest free loan	2,000	2,000
	<u>2,000</u>	<u>2,000</u>

17. Provisions for liabilities

	Haul Route Infrastructure
	£
Charge for the year	<u>112,113</u>

The above charge represents the amount due to Tilhill Forestry Ltd in respect of costs for infrastructure development. These costs will be met from either grant funding or from future timber sales and will therefore only fall due for payment at an unspecified date in the future.

18. Accruals and deferred income	2010	2009
	£	£
Deferred income		
Increase in year	60,000	-
At 31 July 2010	<u>60,000</u>	<u>-</u>

Deferred income represents a payment on account of future timber sales to Tilhill Forestry Ltd. Until such time as timber extraction commences, this amount does not represent "earned" income and has therefore not been recognised in the Statement of Financial Activities.

Purposes of unrestricted funds

Included in general funds are grants from the Big Lottery Fund Growing Community Assets Fund which have been matched by funding from Highlands and Islands Enterprise. These grants cover a period of three years and covers the costs of employing a development manager, part time administrator and running the office.

Purposes of restricted funds

A grant was received from the Big Lottery Fund under its Awards for All programme towards office equipment, premises costs, website design and other costs. The balance remaining above represents the assets capitalised in the accounts less depreciation for the year.

Other Restricted Funds

£200 was brought forward for the nature hide and £88 for survey equipment. Incoming donations in the year include £250 for Forest Schools and £100 for communications. The balance of £88 was incurred in the year and has been released to general funds.

The balance brought forward in respect of training had been incurred in the previous year and is now released to the general fund.

22. General commitments

Infrastructure costs are expected to amount to £1,042,500 of which £512,300 will be met by grants from the Scottish Governments Strategic Timber Transport Scheme with the balance of £530,200 being met from the proceeds of future timber sales.

23. Transactions with trustees

No director received any direct remuneration or other benefits in kind during the year.
